Legislative Alert #137

March 14, 2006

IMPORTANT FEDERAL BUDGET FIGHT!!

On Tuesday, March 14, and Wednesday, March 15, a broad coalition of national organizations will call targeted Senators and ask them not to pass a budget that will hurt working families.

We need your help in telling Senators not to pass a budget resolution that shortchanges nutrition, education, health, housing, child care, and other essential services for America's working families—especially to pay for tax cuts, which mostly benefit the rich and special interests.

Please call your Senators—especially these Senators:

| | |
|----------------|------------------|
| Burns (R-MT) | Santorum (R-PA) |
| Chafee (R-RI) | Smith (R-OR) |
| Coleman (R-MN) | Snowe (R-ME) |
| Collins (R-ME) | Specter (R-PA) |
| DeWine (R-OH) | Talent (R-MO) |
| Ensign (R-NV) | Voinovich (R-OH) |
| Nelson (D-NE) | Warner (R-VA) |

Call: 1-800-459-1887

When the Senator's staff answers the phone, we suggest that you consider saying:

Senator _____ should oppose any budget resolution that will force harmful cuts in education, health care, nutrition, housing, and other services for children, families, seniors, and people with disabilities. Please ask him (or her) to vote no on any tax breaks that take funds away from needed services and only further deepen the deficit.
