Ralphs, Vons and Albertsons say they're offering  
*"More Than Fair"* health benefits.

Really?

These companies want to shift over  
\$1 BILLION of health care and pension costs  
onto the workers who have contributed to their success.

They call this *"More Than Fair."*

Ralphs, Vons and Albertsons'  
profits are up 91 percent in five years.

Do you think this is *"More Than Fair?"*
